Subject: Application for F-3 Dependent Visa

Dear Sir/Madam,

I am writing to apply for an F-3 Dependent Visa to join my spouse, who is currently living in South Korea under an E-7 visa.

I am **[Your Name]**, a Nepali citizen with passport number **[Passport No.]**, and a permanent resident of **[Your Address]**. My husband, **[Husband's Name]**, holds a Korean residence card (No. **[Card-Number]**) and has been working in South Korea for the past **[Number of years]** years. He has kindly invited me to join him. It has been a long time since we last spent time together, so I have decided to apply for a dependent visa to stay with him for a certain period of time. This will help us maintain a healthy family relationship.

I am confident that my husband's stable financial situation, along with his responsible and hardworking nature, ensures that he can fully support my living expenses during my stay in South Korea. I understand my responsibilities as a dependent and assure you that I will follow all the rules and regulations of South Korea. I respect the country's laws and am prepared to integrate into Korean society.

I sincerely request you to consider my application. I assure you that I will follow all visa conditions and leave South Korea before my visa expires.
